Originally from Tucson, Arizona, Kadynce began her formal dance training at the age of seven with Tucson Regional Ballet, where she spent years developing her classical technique and performance skills. During her time with the company, she performed annually in *The Nutcracker* and appeared in productions such as *Giselle*, *Cinderella*, and other classical and contemporary works. These experiences shaped her love for storytelling through movement and laid the groundwork for her professional aspirations.

Kadynce is trained in a wide range of dance styles, with a particular passion for ballet, jazz, contemporary, and modern dance. She has continued to expand her artistry through intensive training with respected programs and institutions, including ArtEmotion Intensive, Colorado Ballet Intensive, Hubbard Street Dance Chicago, and JoffreyWest Summer Intensive, where she studied under industry-leading artists and educators.

In March 2025, Kadynce was selected to perform in the inaugural Arizona Grand Gala of Stars, a milestone in her emerging career. This opportunity allowed her to share the stage with internationally recognized dancers such as Marian Walter, Indiana Woodward, and Joaquin De Luz, while performing original works in both ballet and contemporary styles choreographed by leading artists. The experience marked an exciting step forward in her artistic journey as she continues to grow as a performer.
